Amish Movie Witness

Acclaimed Australian film maker Peter Weir director of 'Picnic at Hanging Rock', 'Gallipoli' and 'The Year of Living Dangerously' turns his brilliant eye to the thriller movie. With music by Maurice Jarre, the film is stunningly photographed entirely on location in Philadelphia and the beautiful rolling countryside of Pennsylvania.

Much of this action is set on an Amish farm amid the Pennsylvania Dutch countryside, where the Amish people, a pacifist society, reject the modern world, its violence and moral code and life-style... A closed community, suspicious of strangers, who embrace the simplistic life of the land...

Harrison Ford is John Book.
A big city cop who knows too much.
His only evidence: a small boy who's seen too much...

WITNESS also features Russian ballet star Alexander Godunov in his first acting role.
